Abstract

“RELIGION” is exclusive asset of “HUMAN”?...

- i. “Animals” do not have “Religion”?...
ii. “Plants” do not have “Religion”?...
iii. “Planets” do not have “Religion”?...
NO... NO... NO... If so

Keywords

Philosophy of “White Religion”?...
Philosophy of “Dark Religion”?...
Philosophy of “Blue Religion”?...
Philosophy of “Green Religion”?...
Philosophy of “Red Religion”?...

What does mean Religion?...

This scientific research focus that “RELIGION” shall be considered as the “LAW OF GOD” (or) “SUPERNATURE”. In brief Religion shall alternative be considered as “SOUL” emanating Billions of “RAYS” of “J-RADIATION” (Zero hour radiation). Each ray considers composed of Three-in-one fundamental particles photon, electron, proton (Godly particles). The philosophy of super mature and the law of God shall be expressed as below.

- i. Right dot is like LOVE (Proton)
ii. Left dot is like FAITH (Electron)
iii. Center dot is like TRUST (Photon)

This research further aims to focus the global understanding of religion which is responsible for existence of matters of Universe.

“RELIGIONISATION” shall mean “GLOBALISATION” rather than “REGIONISATION”. God shall mean translation of the Soul (religion) into matters for sustainability of “LIFE” and Universe.- Author

Introduction

Case study shows that there are about 4200 religions (July 2013 statistics) in the world like Christianity, Islam, Judaism, Hinduism, Buddhism, Jainism, Taoism, Confucianism etc.

Christians believe Jesus Christ as the God of Creation and everlasting life.

Muslims believe Allah as creator of Universe and Earth.

Buddhists believe the teachings of Lord Buddha.

In **Hinduism** the philosophy of God is normally believed under three major area as mentioned below.

- a. God of “**CREATION**”
- b. God of “**MAINTENANCE**”
- c. God of “**SCRAPPING**”

Further various planets (**Navagrahas**) and celestial bodies are also worshipped as sub gods (or) Deities and various rituals being conducted based on them for betterment and sustainability of life system.

In this research article it is focused that the existence of “**SUPERNATURE**” shall be considered as “**GOD**”. Further the super nature considers exist as **Three-in-one** fundamental elements “**SUN**”, “**EARTH**”, “**MOON**” as mentioned below which can’t be separated.

- a. Right dot is “**MOON**”
- b. Left dot is “**EARTH**”
- c. Centre dot is “**SUN**”

*“The various version of gods and deities such as sun based gods, Earth based gods, Moon based gods shall be considered derived from fundamental Characteristics of **SUN**, **EARTH**, **MOON** as sacred beliefs in human culture and civilization”.*

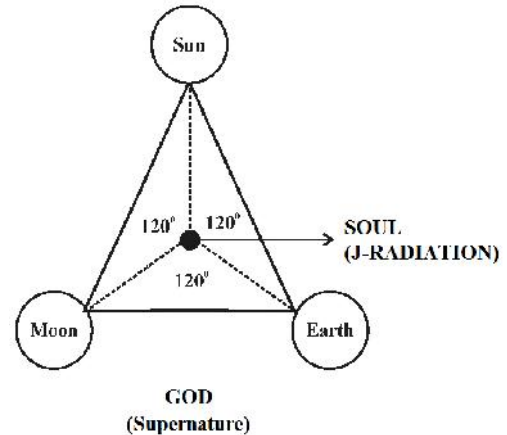

- Author

1. Hypothesis and Narrations

a) Philosophy of “**GOD**”?...

It is focused that there are so many theories about philosophy of God and Religion.

It is hypothesized that the entire “**Cosmo universe**” shall be considered as **SUPERNATURE** exist with foundation of **three-in-one** elements **SUN**, **EARTH**, **MOON**.

- i. **SUN** is like **RHYTHM** (Trust)
- ii. **EARTH** is like **MELODY** (Faith)
- iii. **MOON** is like **PITCH** (Love)

b) Philosophy of Religion?...

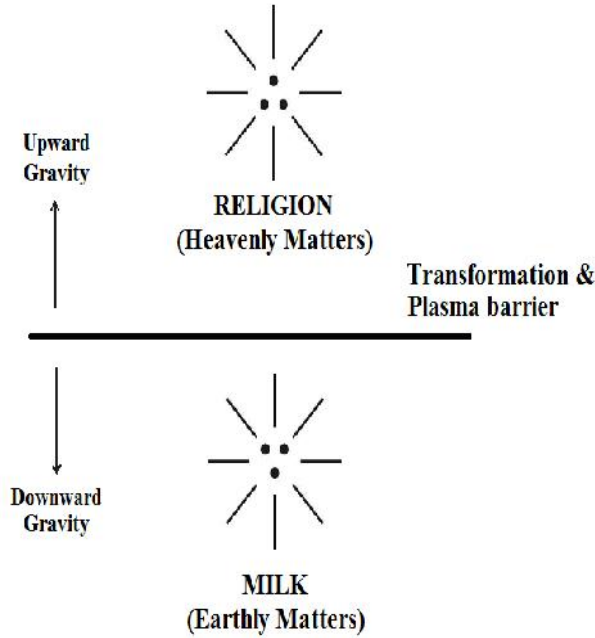

The “**J-RADIATION**” (Zero hour radiation) of universe shall be considered as “**SOUL**” emanating Billions of Rays which are responsible for existence of matters of Universe. The soul shall also be called as “**LALITHAM**”. Lalitham shall mean “**white music**” or “**law of Religion**”. The philosophy of “**Origin of Religion**” shall be described as below.

c) Matters are product of Religion?...

It is hypothesized that there is no existence of matters without Religion. In brief matters shall be considered as “**Transformation**” of Religion into matters. The philosophy

of Transformation of Religion into matters shall be described as below.

d) Religion has colors?...

It is hypothesized that in the “expanding universe” different religions such as white religion, dark religion, blue religion, green religion, red religion shall be considered evolved which are responsible for various colour matters (UV, RF, IR) in three nuclear age.

e) Philosophy of “Religion conversion”?...

It is hypothesized that Religion conversion shall be considered as “Scientific process” of matters undergoing genetic change due to variant environment conditions of universe.

- i. By saying Amen... Alleluiah... can become **Christian?...**
 - ii. By saying Allah... Allallah... can become **Muslim?...**
 - iii. By saying Namom... Namom... can become **Hindu?...**
- NO... NO... NO...

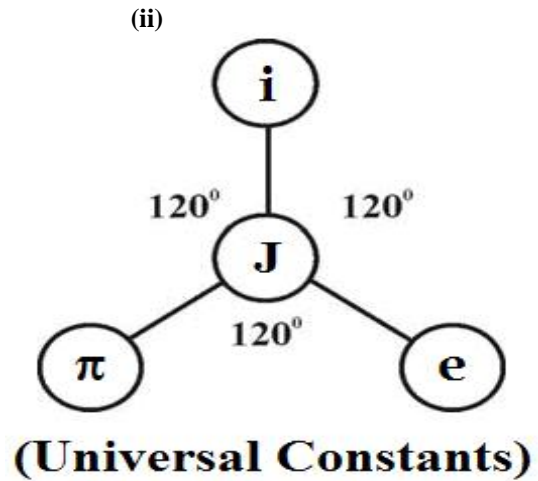

It is emphasized that “Religion conversion” shall mean translation of Soul into matters for sustainability of life as described below.

- i) **Dark Religion** shall mean become “**Dark Milk**” (Dark Matters)
- ii) **Blue Religion** shall mean become “**Blue Milk**” (Blue Matters)
- iii) **Green Religion** shall mean become “**Green Milk**” (Green Matters)
- iv)

v) **Red Religion** shall mean become “**Red Milk**” (Red Matters)

f) Philosophy of “Pure Mathematics”?...

It is focused that “SCIENCE”, “MATHEMATICS” has any “PURITY”?... Then why it is called as “Pure Science”, “Pure Mathematics”. It is hypothesized that parameters **i, e,** shall be considered as fundamental universe constants which shall be consistently varied in the “expanding universe”. The philosophy of **Three-in-one** constants shall be described as below.

- i. “i” is like “Sun Characteristics”
- ii. “e” is like “Earth Characteristics”
- iii. “π” is like “Moon Characteristics”

“In the expanding universe the relative position of SUN, EARTH, MOON shall be considered as consistently varied in three nuclear age from rational numbers to fractional digits and hence the universe constants shall also be considered consistently varied”

- Author

g) Can we see GOD?...

h)

It is hypothesized that the “GOD” (Super nature) can’t be seen by naked eye but shall be perceived as below. In proto Indo Europe language “Supernature” shall be called as “PERIAVAR”. Periavar shall mean Atheist. The “Nature” shall be called as “POORANAM”. “PARI POORANAM” shall mean “MOTHER NATURE” (or) “BHARAT RATNA”. Pari shall mean Universe (Bharat). Pooranam shall mean nature (Ratna).

(i)

BHARAT RATNA
(பரிபூரணம்)

(ii)

ATHEIST
(பெரியவர்)

“RAM shall mean nature acronymically known as Random Access Memory and Motherboard of Intelligent system. J-Gate shall mean gateway to global link”

Author

i) Case study on “INDOS”?...

Case study shows that various global level languages shall be considered as having derived “root” from “Indo” such as Indo-Europe, Indo-Iran, Indo-Egypt, Indo-Greek etc. **If so what does mean “INDO”?...**

It is hypothesized that “INDOS” shall be considered as Human races originated when “SUN” emits first rays on the Earth Planet. Indos shall mean “ETHIST” and had belief “One God”, “One Family”, “One Religion”. During expanding universe Diversity among Indos race considered took place. The Diversified races based on various gods various religions, various cultures, various rituals shall also be called as “PARAOHS”. (Ethnic populations).

It is further hypothesized that “INDOS” shall be considered as 2nd generation population and the 1st generation population shall be considered as Ethiens (Proto Indos) lived in “KACHCHA THEVU” even much before Sun emits first rays having distinguished genetic characteristics and capable of FLYING.

“INDOS” shall mean populations lived around 1,00,000 years ago. ETHIANS shall mean population lived around 3,00,000 year ago in Kachcha theevu”.

- Author

j) Philosophy of Kachcha Theevu Court?...

It is hypothesized that the Philosophy of court system shall be considered as derived from Philosophy of Kachcha Theevu “PATTIMANDRAM”. Further the Philosophy of upper house, lower house, supreme court of parliamentary system shall be considered as derived from the Philosophy of Pattimandram. The etymology of Judgement shall be called in proto Indo-Europe language as THEERVU, THEERPPU.

THEERPPU
(The Law of Justice)

The right dot is like **commonsense**, the left dot is like **intelligence**, the center dot is like **intuition**.

Pattimandram (village court) shall not be considered as **Komali Mandram** to criticize about individuals personalities for payments. *Pattimandram* shall be considered as a sensitive area where debates being conducted to deliberate solution for social issues for promoting healthy environment and peace on free of cost. **Nattamai** shall mean Godly person and not as **Chandiyar**.

- Author

2. **Conclusion:**
RELIGION favors **castism? ... NO... NO... NO...**

**BHARAT RATNA
(Casteless)**

*Religionisation shall mean make casteless society within the respective religion rather than human wearing colourful uniform of respective religion. In brief religionisation shall be considered as resetting the mind to become children of **BHARAT RATNA**.*
- M. Arulmani, Tamil based Indian

3. **Previous Publication:**
The philosophy of origin of first life and human, the philosophy of model Cosmo Universe, the philosophy of fundamental neutrino particles have already been published in various international journals mentioned below. Hence this article shall be considered as **extended version** of the previous articles already published by the same author.
